

ShymkentBuild

South Kazakhstan building and interiors exhibition

13-15 March 2019

Kazakhstan, Shymkent, Korme EC

www.shymkentbuild.kz

PRELIMINARY LIST OF EXHIBITORS

EXHIBITOR	PRODUCT INDEX	COUNTRY
ACRON POLYMER	Manufacturing company of construction materials on the new technology of polymer-sand composition Production of plastic products.	Russia
AKKU-ENERGO	Engineering company "Akku-Energo" is an exclusive distributor of GNB Industrial Power a division of Exide Technologies Concern. It carries out complex deliveries of industrial electrical equipment, design projects, capital renovations, reconstruction of operative DC systems for electric power plants and substations and other DC installations.	Kazakhstan
ALFA-PRO VENT	For more than 10 years is engaged in the sale of ventilation equipment and components for the installation of ventilation systems, chillers, rooftops, fan coils and air conditioners.	Kazakhstan
ALMALYK MINING AND METALLURGY COMBINE	The leading manufacturer of non-ferrous metals in Uzbekistan. Almalyk produces copper cathodes, zinc ingots, cadmium, selenium, tellurium, rhenium and etc. Also Almalyk started production of copper tubes for general purposes, grey and white cements.	Uzbekistan
ARHIFORMA-EXPERT	Architecture, production MAF	Kazakhstan
ARTSTROY-ASIA	Wallpaper, wooden mosaic, varnish-and-paint products	Kazakhstan
AS-AY LTD	A multi-brand company in the market and represents the Republic of Kazakhstan the following brands: XCMG - construction and road machinery, drilling rigs, concrete and cement plants, tower and crawler cranes. HELI - storage equipment: forklifts, stackers, etc. SHANTUI - bulldozers and pipe layers. SHANBAO - crushing and screening equipment and machinery. AIRMAN - Japanese compressors and generators.	Kazakhstan
AZIA IMPORT	Outsourcing of foreign trade activities, turnkey import from Russia to Kazakhstan, logistics.	Kazakhstan
BESSER-KORDAI	Production of building materials (wall concrete blocks, facing brick, road and garden curb,	Kazakhstan

	paving slabs) on a cement-sand basis using the semi-dry vibropressing method on Besser equipment (USA).	
BORUSAN MAKINA KAZAKHSTAN	Manufacturer of generating installations, construction and mining equipment, American company CATERPILLAR in the territory of Kazakhstan. Loading and delivery machines for underground work, bulldozers, excavators, dump trucks, pipe layers, road mills, asphalt pavers, soil / pneumatic wheel rollers, generator installations of various capacities.	Kazakhstan
BULAK	Sales of toilets, sinks, tubs, bath furniture, faucets in Kazakhstan. The company is a leader in the supply BULAK sanitary products in Kazakhstan. We offer a wide range of toilets, sinks, tubs and other plumbing.	Kazakhstan
CONCERN BAKARASSOV	This neoteric innovative company has its own plant facilities in Almaty where it produces over 100 types of the high-quality waterborne paints and lacquers under the trademarks of KaiZer and MeisterGut. More than that, the Company has a wide network of its representatives and dealers at the market of Eurasia which it continues to develop and promote, therethrough providing its clients and partners with the most up-to-date paint and lacquer materials and equipping them with the professional knowledge in the application techniques through regular trainings and master classes.	Kazakhstan
DARMINPROJECT	Established and active since 2006. The company is engaged in the development of design estimates and work projects of industrial and civil facilities.	Kazakhstan
DAS ERSTE HAUS	Roofing materials, repair and reconstruction, design of roofs and drainage systems, facades, windows and stained-glass windows. Also we are engaged in a bituminous tile Gaf, wooden, aluminum and wood-aluminum products from Belarus and Germany (windows, stained-glass windows, winter gardens and doors), modular and piece parquet, heating systems and facade materials.	Kazakhstan
ENTEC KAZAKHSTAN	Automatic gates, sectional doors, rolling gates, sliding gates, swing gates, automatic doors, roller blinds, barriers, turnstiles, dubbing film.	Kazakhstan
GROUP OF COMPANIES SAVOIR FAIRE	The products of CJSC "ZETO" in Kazakhstan is Savoir Faire Group Company. CJSC "ZETO" is one the leading Russian enterprises working on the development and production of disconnectors, earthing switches, busbar supports, rigid buses, non-linear surge arrestors, arrestors, compacts for 110kV open switchyards, SF6 transformers end circuit breakers, and other power equipment for power industry, oil and gas industries, agriculture, railways, subways and others.	Kazakhstan
KG POWER	Diesel power plants, stationary diesel generator (DES on the frame), diesel generator (power plant) in the casing of the DGU / DES in	Kazakhstan

	containers, gas generators, uninterrupted power sources.	
LED INNOVATIONS	Professional lighting company in the market of Kazakhstan since 2013, which helps our clients to solve a wide range of tasks in the field of lighting engineering.	Kazakhstan
M GROUP KZ	Engineering	Kazakhstan
KINGSPAN YAPI ELEMANLARY ANONYMOUS SHIRKETI IN THE REPUBLIC OF KAZAKHSTAN, REPRESENTATIVE OFFICE	Enclosing structures	Kazakhstan
ONTUSTIK KURYLYS SERVICE	Reinforced concrete structures and products, metal.	Kazakhstan
PCA GROUP	Sale of diesel power plants and generators.	Kazakhstan
POLIMERMETALL-T	Largest domestic manufacturer, which produces the products of the category "construction materials", such as wall and roof sandwich panels, metal tiles, finishing (shaped) accessories, profiled metal sheets, block-modules.	Kazakhstan
PRENSOLAND S.A.	The export of machinery for the manufacture of precast concrete elements around the world.	Spain
RANGE GROUP	Dealers of the Uzbek plant for the production of PVC pipes, fittings, decor panels, roofing.	Kazakhstan
SLAVIC DOORS	Entrance and interior doors	Kazakhstan
SMART CONSTRUCTION	Specialized construction work, construction and installation work, construction and building materials.	Kazakhstan
SPIRA-BERGA	The plant produces polyethylene pipes for gas supply, water supply, sewerage, protection of electrical and fiber optic cables, drainage and irrigation systems.	Kazakhstan
STALFORM	Formwork systems. Wall formwork, universal columns and flooring elements from leading Russian manufacturers.	Kazakhstan
STEEL TECHNOLOGY	One of the leading formwork solutions for objects of civil and industrial construction. The company supplies equipment all over Kazakhstan and Central Asia.	Uzbekistan
STROYTORG-EXPO	We have been selling construction and finishing materials since 2007. The basis of our activity is a wholesale trade, supply of stores and construction organizations with the following goods: <ul style="list-style-type: none"> > Drywall, insulation > Thermal insulation materials > Dry building mixtures > OSB slabs > LDF boards Various finishing materials, such as: <ul style="list-style-type: none"> > Floor skirting boards, thresholds > Paints and varnishes > Construction chemistry (mounting foam, rhemetics, liquid nails) > Water-based paint 	Kazakhstan

	<p>> Sawn timber > Profile for drywall</p> <p>We supply products of such well-known companies and manufacturers as "Knauf insulation", "EGGER", "KronoSpan "AlinaTrade "SBS Group", "Metall-InvestKZ", "Zhambylgips", "Danogips", "Swisskrono", "Ursa"</p>	
TANDAU TRADE	Offers its services to anyone with plans to begin construction or repair. Here you can buy porcelain, brick, flooring, facing stone, building and finishing materials.	Kazakhstan
TANSU	<p>Oil processing plants equipment; oil heating boilers; steam boilers, with steam capacity from 300 to 20 000 kg/h on all kinds of fuel; water boilers on solid fuel powered from 10 kW to 700 kW; state of the art automatic water boilers on liquid and gas fuel powered from 40 kW to 17 MW; electric boilers, powered from 8 to 500 kW; electric water heaters; LPG tanks; automatic burners, working on gas, light or heavy liquid fuel; tubular heating elements.</p> <p>Oil processing plants equipment; oil heating boilers; steam boilers with steam capacity from 300 to 20 000 kg/h on all kinds of fuel; water boilers on solid fuel powered from 10 kW to 700 kW; state of the art automatic water boilers on liquid and gas fuel powered from 40 kW to 17 MW; electric boilers, powered from 8 to 500 kW; electric water heaters; LPG tanks; automatic burners, working on gas, light or heavy liquid fuel; tubular heating elements.</p>	Kyrgyzstan
TOSHAFUS	<p>Company has launched elevator production process in 2013y, jointly with South Korean partners. Elevator assembly is practiced by original South Korean technology, and the essential parts, such as control panel and safety parts are imported directly from South Korea.
